

G.R.C. in the Digital Age

Tuesday, 22 November 2016 | Time: 08:30-17:00 | Venue: Amathus Beach Hotel, Limassol

ISACA, (ISC)², itSMF and PMI

coorganise an event

to update businesses and organisations on Governance, Risk and Compliance of today's digital environment.

Organisations need to understand and respond to challenges deriving from embedding technology in the way they perform their business. Irrespective of the size and type of your organisation, you need to manage an overwhelming amount of technological risks and big data supported by technological solutions which forces you to revise your governance, risk and compliance processes.

Organisers

The ISACA Cyprus Chapter is the locally established chapter of ISACA International, an independent, non-profit, global association serving 140,000 professionals in 180 countries. The association engages in the development, adoption and use of globally accepted, industry-leading knowledge and practices for information systems and in the provision of the professional qualifications CISA®, CISM®, CGEIT® and CRISC™, as well as the CSX™ program.

The International Information Systems Security Certification Consortium (Isc)2 Cyprus Chapter, established in 2012, is the first cypriot professional association that is concerned exclusively with information security. (Isc) 2 is a global, not for profit leader in educating and certifying information security professionals throughout their careers.

The Information Technology Service Management Forum Cyprus is a non-profit organization affiliated to the ITSMF international. It was established as a forum for information technology (IT) service/product providers, IT service/product users, and related parties to explore all means available to maximize its business value.

PMI Cyprus Chapter was formed in 2015 and is the local Chapter of the Project Management Institute (PMI). The Project Management Institute is the world's leading not for profit professional membership association for the project, program and portfolio management profession. Founded in 1969, PMI delivers value for more than 2.9 million professionals working in nearly every country in the world through global advocacy, collaboration, education and research.
